We are in this field for more than four decades. Before that our parent organization Anamallais Bus Transports (A.B.T.) Private Limited started body building work in the year 1931 in a small way and then the same body building activities were extended to our sister concerns ABT Parcel Service and N.I.A. (Transports). After taking over the body building activities by us in year 1963, our services were slowly extended to the other private bus operators and to the various Government undertakings viz., Thiruvalluvar Transport Corporation, Govt. of Tamilnadu, Tamilnadu Tourism Development Corporation, Police Department, Govt. Of Kerala, Pondichery Tourism and Transport Development Corporation, Govt. of Pondichery, ISRO-Sriharikota, Govt. of India, Neyveli Lignite Corporation etc.,

We built quality bodies to cater the needs of the customers and to their satisfaction.

Apart from domestic customers, we are build bus bodies to TATA Motors and Ashok Leyland and through them more than 5000 buses with our bodies were exported to various foreign countries and our vehicles are Plying in Russia, Abu Dhabi, Angola, Bangladesh, Chile, Dominican Republic, Dubai, Ghana, Kuwait, Nigeria, Yemen, Madagascar, Oman, Sri Lanka, South Africa, New Zealand and so on.

We also undertake repair jobs of old vehicles and accident repair jobs. We have better after sales and service, minor jobs during the period of warranty, and general checkup are executed at the customer place only.

We provide you the best service on heavy vehicles
